Please note that this apartment is in a fantastic location, although it is a good downhill 45 minute walk, in order to reach the local amenities. Of course it only takes less than 5 minutes by car to La Cala de Mijas. A car is strongly recommended for this property as it is located 4kms up the hill.

We recommend that you take out adequate travel insurance before travelling. In case of an accident occurring whilst at this holiday home, it is the responsibility of the holiday guest, not the managing agent.

This property is wheelchair and disabled friendly. There is a lift in the apartment building along with ramps in the communal areas providing wheelchair access, along with a ramp from the lounge to the terrace. The pool and gardens are also adapted for disabled and wheelchair access.

Once your booking has been confirmed / payment received (or at least in good time before your arrival) we will contact you to make arrangements to meet you at the property, or in the local town, La Cala de Mijas. You will be shown around the apartment with everything explained clearly by our local property managers (who speaks fluent English and Spanish!) and your questions about the local area / facilities can be answered. We want you to enjoy your holiday!

The property managers will be on hand to answer any questions or in case of any emergency or enquiry. Unlimited FREE Fibre Optic WiFi and multi-language TV is included in the rental price. Strictly no smoking or pets allowed.
