You will be shown around the apartment with everything explained clearly by our local property managers (who speak fluent English and Spanish!) and your questions about the local area / facilities can be answered. We want you to enjoy your holiday!

The property managers will be on hand to answer any questions or in case of any emergency or enquiry. Unlimited FREE Fibre Optic WiFi and multi-language TV is included in the rental price. We recommend that you take out adequate travel insurance before travelling. In case of an accident occurring whilst at this holiday home, it is the responsibility of the holiday guest, not the managing agent.
